

Compliance Calendar LLP is Go-to Choice for business owners looking for end-to-end legal, tax and compliance services to focus on scaling their businesses and making it multi-million dollar venture in their field.

We act as the Trusted Compliance Partner for our retainer clients that include Startups, SMEs, MNCs & Listed companies for all their regulatory compliance requirements.

Some of our popular offerings are India Entry Services, New Business Setup, Govt License, IP Protection, Drafting/Vetting, Virtual CFO, Annual Compliance, Audits, Corporate Action, Valuation, ISO Certification and Advisory.

About Us

Since its inception in 2016, which coincides with the Startup India Movement and Compliance Calendar Foundation, the startup ecosystem has evolved multifold needing more corporate governance in place, where our professional team has provided compliance solutions to emerging as well as established companies, incubators, angel investors, venture capital/private equity funds. The experience of understanding challenges and risks involved in a business – from incorporation to funding & exit – has enabled the firm in not only working with the venture capitalists, marquee investors and start-ups, but also multinational corporations and companies in advanced stages of growth. You can learn more about our journey below:
